Profile A well-rounded and driven 3rd year animation student, interested in all areas of development and production. I am constantly seeking to improve both artistically and technically, and eager to help bring great stories to life.

Skills

- Great organization and problem-solving skills
- Excellent writing skills, both composition and editing
- Familiar with both traditional and digital media
- Able to apply animation principles in 2D and 3D

Software

- Photoshop
- Toon Boom Harmony
- Premiere
- After Effects
- Flash
- Sketchbook Pro
- Toon Boom Storyboard Pro
- Maya

Education

Sheridan College, Oakville, Ontario

- Bachelor of Animation; September 2011-present

Ontario College of Art and Design, Toronto, Ontario

- First-year studies in Illustration; September 2010-December 2010

Dalhousie University, Halifax, Nova Scotia

- Bachelor of Arts (Honours) in English and Psychology; September 2006-May 2010

Related Experience

Production Manager for Storm's A-Brewin' student film group; 2013-present

- Organize meetings, schedule deadlines, and resolve conflict, resulting in improved co-operation and collaboration on group assignments.

Member of Sheridan Animation Student Council; 2012-present

- Attend meetings and volunteer regularly, facilitating communication between students and increasing Council funds.

Volunteer at Sheridan's Industry Day and Interview Day; 2012

- Prepared materials for guests, guided visitors, scheduled interviews between recruiters and 4th year students, ensuring that events went as smoothly as possible.

Assistant colourist on several thesis films by 4th Year students; 2012-2013

- Used Flash and Toon Boom Harmony to colour cleaned animation, so that senior students were able to focus on other areas of production.
