## Highlights of Qualifications

- Able to produce fast, readable storyboards.
- Good with visual storytelling, storyboarding and sequential art.
- Capable of creating animation in 2D, flash and after effects.
- Proficient in using programs for storyboarding such as: Toon Boom Storyboard pro 5, Adobe Photoshop cc 2015 & traditional storyboard paper cards.
- Good at lip sync animation
- Work efficiently as an individual and as a productive member of a team.
- Can draw props for animation

## Education

College: Sheridan College, Oakville ON

Course: Bachelor of Applied Arts (Animation)

Year: 2014-2018

## Projects

### LEICA REEL TIMED TO PRE-RECORDED TRACK

The Leica Reel project designed to develop the understanding of animation post-production.

- Contributed towards compositing the Leica reel.
- Made a visual repetition of a given poem.
- Worked together as a team to meet deadlines.

### LIP SYNC

I animated a character acting and matching the character's mouth movements to the dialogue.

- Utilized my drawing skills to design a character to match the voice.
- Used ToonBoom to animate the character.

## Skills

- Adobe Photoshop
- Flash animation
- Toon Boom Harmony
- After Effects
- Story board Pro

## Work Experience

Meadowvale Library Mississauga, Ontario

Volunteered: Library Assistant – 2012 – 2013

- Gathered, sorted, shelved books and magazines.
- Straighten and shift books in tight areas.
- Assisted library users to locate book, magazines and other resources.
